- Tour Recovery Day Oct 9
- Thanksgiving Nov 23rd & 24th
- Christmas Dec 25th open Jan. 1st

Etiquette Corner

Standing:

While in the DoJang, we always stand in at-ease or attention when not active with motion. This shows mental focus and readiness over standing with your arms limp by your side. Standing with your hands on your hips or with your arms crossed on your chest is considered disrespectful as they infer disapproval or superiority. Traditionally, taking either position in a martial art school was an indication you wished to challenge the highest rank to a fight.

May 2017
