Yearly Outlook

All WKSA events including seminars, workshops, and tournaments have been canceled for 2020.

Thank you!

This year has been a true test of everyone's resolve. When things aren't going well, those who have a strong mind prevail.

Often, when our routine gets disrupted, it is difficult to get back.

The old saying, "motivation will not always be there, that is when you must rely on your discipline" is the quote we must all keep in mind.

Many of our students have stood by our school. Overcoming the challenges this year has presented and finding creative ways to continue their training.

Thank you for supporting us, without you, our school would not survive these times.
